Calleguas Creek Watershed Annual TMDL Progress Report

Dear Dr. Wu:

Please find enclosed for your review and consideration the Calleguas TMDL Progress Report, summarizing participating agencies activities addressing the effective Calleguas Creek watershed (CCW) TMDLs. While not a requirement of any TMDL, this report is being completed to compile all TMDL related activities in one document for ease of review by both CCW stakeholders and Regional Board staff.

Please contact Ashli Desai (Larry Walker Associates) at 310-394-1036, if you have any comments or questions regarding the information provided in the reports.

Very truly yours,

Lucia McGovern
