RE: WCVV Draft Integrated Regional Water  
Management Plan – Public Review Period

On Thursday, October 12, 2006, the Watersheds Coalition of Ventura County (WCVV) released their draft Integrated Regional Water Management Plan (IRWMP) for public review. Copies of the plan were distributed at the Coalition's October meeting and the plan was uploaded to the WCVV website the following day. You can access the plan through the following link: <http://www.watershedscoalition.org> under the "What's New" section.

Comments are due no later than Friday, October 27<sup>th</sup>. All water resource interests are encouraged to review the plan, especially the Water Resources Strategies outlined in Section Five for accuracy and completeness.

Attached is a memo outlining how to provide comments on the Plan. There are many formatting issues yet to be resolved. PLEASE NOTE: the page numbers identified on Adobe Acrobat's page index do not correspond to the pages in the Plan because of the unnumbered title and introductory section. When offering comments or corrections, please refer to the actual page numbers on the Plan, and not Adobe's index.

The timeline for adoption follows:

Oct. 20<sup>th</sup> – Draft Resolutions/Staff Report complete  
Oct. 27<sup>th</sup> – Final Date for Comments on Draft IRWMP  
Nov. 2<sup>nd</sup> – Final Review of Plan at WCVV Meeting  
Nov. 13<sup>th</sup> – Dec. 15<sup>th</sup> – Plan Adoption

Copies of the final plan will be available at the November 9<sup>th</sup> WCVV meeting (one CD and one hard copy per agency). If you have questions regarding the Plan or the review/adoption process, please contact me at (805) 432-6709.
